

Media Advisory – Photo & Story Opportunity
FOR IMMEDIATE RELEASE, July 11, 2011

EXPLORING THE FUN SIDE OF CHEMISTRY

- WHO:** Let's Talk Science volunteers will be leading up to 100 kids, ages 5 to 12, through hands-on science activities to learn about chemistry during a drop-in day themed Fizz, Gurgle, Slurp!
- WHAT:** Children and parents will try out some fizzy and foamy chemical reactions and will make goopy substances – all using every day household materials.
- WHERE:** New Tecumseth Public Library, Memorial Branch, 17 Victoria St. E, Alliston, Ontario
- WHEN:** Wednesday, July 13, 2011, 10:00 a.m. – 3:00 p.m.
Photos of the science activities and story opportunities are available throughout the day.

ABOUT LET'S TALK SCIENCE

Let's Talk Science is an award-winning, national, non-profit, science outreach organization. Let's Talk Science creates and delivers science learning programs and services that turn children and youth on to science, keep them engaged in learning and develop their potential to become 21st century citizens, innovators and stewards.

Let's Talk Science Outreach engages more than 2,800 enthusiastic volunteers across Canada to turn more than 140,000 kids on to science, engineering and technology each year. For more information about Let's Talk Science, please visit www.letstalkscience.ca.
