

Are you a talented web product manager who can deliver consistent and excellent user experience across all of our websites?

Do you want to make a difference to Canadian educators and their students?

If so, we invite you to submit your application to join Let's Talk Science – Canada's leading national, charitable organization that engages youth in science, technology, engineering and math (STEM).

Web Product Manager

We are seeking a Web Product Manager who will play a leading role in the full life cycle of the web-based platforms that we use to deliver programming, communicate with stakeholders, and maintain our online presence. The incumbent is a highly motivated self-starter with excellent organizational and project monitoring skills and will be the product owner for our English and French websites.

In this role, the Web Product Manager will be responsible for supporting multiple internal teams whose work depends on our main website and for collaborating with Let's Talk Science leadership on a strategy that drives design, development, maintenance and support

Qualifications

- Post-secondary education in a related field and relevant work experience
- Formal training in product and/or program management required, with certification in either or both fields (e.g. PMC or PMP) strongly preferred
- At least five (5) years of experience as a web product manager
- Outstanding leadership, communication and negotiation abilities
- Experience leading or working with a development team using with Agile methodology
- Good knowledge of web content management systems
- Able to adapt to new developments in technology and methodology
- Bilingualism (English and French) is an asset

This is a 1-year renewable contract position, includes benefits and is based out of our London or Calgary office or home office for the right candidate.

A full position description can be downloaded from our website at: <https://letstalkscience.ca/employment-opportunities>

Interested candidates should submit their resume and cover letter including salary expectations and quoting "Web Product Manager" by 11:59 pm ET on **Sunday April 19, 2020**, to:

Shawna Agathos
