

Let's Talk Science Position Posting

Position Title: Summer Programming Assistant, Let's Talk Science Outreach
Position Status: 37.5 hours/week for 16 weeks
Closing Date: March 22, 2020

THE OPPORTUNITY

Let's Talk Science is an award-winning, national, charitable organization focused on education and outreach to support youth development. We create and deliver unique learning programs and services that engage children, youth and educators in science, technology, engineering and math (STEM) to support learning and skill development. Our programs, resources and services, we motivate and empower Canadian children and youth of all ages to fulfill their potential and prepare for their future careers and roles as citizens. Let's Talk Science has excited, inspired and engaged more than 4 million children, youth, educators and volunteers in STEM since its inception.

Located in Calgary, Alberta, this position will report to the Regional Coordinator, Let's Talk Science Outreach (Western) at Let's Talk Science. In addition, this position will work closely with other members of the Let's Talk Science Outreach team, including Site Coordinators at local post-secondary partner sites. The incumbent will also interact with other Let's Talk Science personnel and volunteers at local post-secondary sites. Please note that this opportunity will require travel for delivery of outreach activities on a periodic basis and in cases where activities are occurring as part of a rural trip this may be up to a week at a time.

This is a summer student role working 37.5 hrs/ week for 16 weeks.

We invite you to visit our web site (letstalkscience.ca) to learn more about our organization.
